Dear Parents and Students,

During this pandemic period of Covid-19 and lock down we have been trying to reach to the students through on line teaching method. We have also completed certain part of the syllabus prescribed by the council for Class XI. We will scheduling online exams from time to time as part of the assessment of progress of students in the subjects. The marks scored in these exams will be taken into consideration at the time of annual promotion. Therefore it is of paramount importance that students appear in these exams with proper preparations and score good marks in all exams and subjects. If they fail to give good performance in the exams the promotion to next class can be affected.

Please find below the Time table and the Time Schedule of the 1st Assessment (Exam). The exam is conducted online using multi choice questions (MCQ). Each question paper will consist of 30 questions. Students will have to SELECT the correct answer and SUBMIT the paper once they have completed answering questions. The system will automatically calculate the answers, and the result will be visible to you after some time. The exam will be conducted using Campus care application.

You shall Login to the Campus care. Using Chrome or Mozilla. The question paper will be available as per the Time mentioned in the Date sheet. You can login through the Parents Login ID only which is send through the registered Mobile Number. In case somebody needs to get the password re-set they have to contact the school office and get the phone number registered in the school records. Then new password will be generated.
